An instant New York Times bestseller! Juliette and Warner's story continues in the electrifying fourth installment of Tahereh Mafi's bestselling Shatter Me series. The girl with the power to kill with a single touch now has the world in the palm of her hand. Juliette Ferrars thought she'd won. She took over Sector 45, was named the new Supreme Commander of North America, and now has Warner by her side. But when tragedy strikes, she must confront the darkness that dwells both around and inside her. Who will she become in the face of adversity? Will she be able to control the power she wields, and use it for good? "Will have fans groaning aloud for the next installment."—Booklist And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

[Tempest](#)

The thrilling second installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. It should have taken Juliette a single touch to kill Warner. But his mysterious immunity to her deadly power has left her shaken, wondering why her ultimate defense mechanism failed against the person she most needs protection from. She and Adam were able to escape Warner's clutches and join up with a group of rebels, many of whom have powers of their own. Juliette will finally be able to actively fight against The Reestablishment and try to fix her broken world. And perhaps these new allies can help her shed light on the secret behind Adam's—and Warner's—immunity to her killer skin. Juliette's world is packed with high-stakes action and tantalizing romance, perfect for fans of the Red Queen series by Victoria Aveyard and the Darkest Minds trilogy by Alexandra Bracken. Ransom Riggs, #1 New York Times bestselling author of Miss Peregrine's Home for Peculiar Children, raved: "A thrilling, high-stakes saga of self-discovery and forbidden love, the Shatter Me series is a must-read for fans of dystopian young-adult literature—or any literature!" And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

From bestselling and National Book Award–nominated author Tahereh Mafi comes a stunning novel about love and loneliness, navigating the hyphen of dual identity, and reclaiming your right to joy—even when you're trapped in the amber of sorrow. It's 2003, several months since the US officially declared war on Iraq, and the American political world has evolved. Tensions are high, hate crimes are on the rise, FBI agents are infiltrating local mosques, and the Muslim community is harassed and targeted more than ever. Shadi, who wears hijab, keeps her head down. She's too busy drowning in her own troubles to find the time to deal with bigots. Shadi is named for joy, but she's haunted by sorrow. Her brother is dead, her father is dying, her mother is falling apart, and her best friend has mysteriously dropped out of her life. And then, of course, there's the small matter of her hear— It's broken. Shadi tries to navigate her crumbling world by soldiering through, saying nothing. She devours her own pain, each day retreating farther and farther inside herself until finally, one day, everything changes. She explodes. An Emotion of Great Delight is a searing look into the world of a single Muslim family in the wake of 9/11. It's about a child of immigrants

forging a blurry identity, falling in love, and finding hope—in the midst of a modern war.

They were made to forget. But they'll never forgive. Everything about Anna's life is a secret. Her father works for the Branch, at the helm of its latest project: monitoring and administering treatments to the four genetically altered boys in the lab below their farmhouse. There's Nick, solemn and brooding; Cas, light-hearted and playful; Trev, smart and caring; and Sam . . . who's stolen Anna's heart. When the Branch decides it's time to take the boys, Sam stages an escape. Anna's father pushes her to go with them, making Sam promise to keep her away from the Branch, at all costs. On the run, with her father's warning in her head, Anna begins to doubt everything she thought she knew about herself. She soon discovers that she and Sam are connected in more ways than either of them expected. And if they're both going to survive, they must piece together the clues of their past before the Branch catches up to them and steals it all away.

This delectable and witty mystery introduces Rosie "Aunty" Lee, feisty widow, amateur sleuth, and proprietor of Singapore's best-loved home-cooking restaurant. After losing her husband, Rosie Lee could

have become one of Singapore's "tai tai," an idle rich lady. Instead she is building a culinary empire from her restaurant, Auntie Lee's Delights, where spicy Singaporean meals are graciously served to locals and tourists alike. But when a body is found in one of Singapore's tourist havens and one of her guests fails to show at a dinner party, Auntie Lee knows that the two events are likely connected. The murder and disappearance throws together Auntie Lee's henpecked stepson, Mark, his social-climbing wife, Selina, a gay couple whose love is still illegal in Singapore, and an elderly Australian tourist couple whose visit may mask a deeper purpose. Investigating the murder are Police Commissioner Raja and Senior Staff Sergeant Salim, who quickly discover that Auntie Lee's sharp nose for intrigue can sniff out clues that elude law enforcers. Wise, witty, and charming, Auntie Lee's Delights is a spicy mystery about love, friendship, and food in Singapore, where money flows freely and people of many religions and ethnicities coexist peacefully, but where tensions lurk just below the surface, sometimes with deadly consequences.

[Shatter Me](#)

Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the *Shatter Me* series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of *Before I Fall*, by Lauren Oliver, and *13 Reasons Why*, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

[Fracture Me](#)

It's right there in the Book of Job: "Man is born unto trouble as the sparks fly upward." Suffering is an inescapable part of the human condition—which leads to a question that has proved just as inescapable throughout the centuries: Why? Why do we suffer? Why do people die young? Is there any point to our pain, physical or emotional? Do horrors like hurricanes have meaning? In *Seven Ways of Looking at Pointless Suffering*, Scott Samuelson tackles that hardest question of all. To do so, he travels through the history of philosophy and religion, but he also attends closely to the real world we live in. While always taking the question of suffering seriously, Samuelson is just as likely to draw lessons from Bugs Bunny as from Confucius, from his time teaching philosophy to prisoners as from Hannah Arendt's attempts to come to terms with the Holocaust. He guides us through the arguments people have offered to answer this fundamental question, explores the many ways that we have tried to minimize or eliminate suffering, and examines people's attempts to find ways to live with pointless suffering. Ultimately, Samuelson shows, to be fully human means to acknowledge a mysterious paradox: we must simultaneously accept suffering and oppose it. And understanding that is itself a step towards acceptance. Wholly accessible, and thoroughly thought-provoking, *Seven Ways of Looking at Pointless Suffering* is a masterpiece of philosophy, returning the field to its roots—helping us see new ways to understand, explain, and live in our world, fully alive to both its light and its darkness.

[The Light at the Bottom of the World](#)

"Galloping suspense dominates this riveting sequel to the post-apocalyptic *Dark Inside*" (Kirkus Reviews) as four teens continue the struggle for survival in a world gone mad. Aries, Clementine, Michael, and Mason have survived the first wave of the apocalypse that wiped out most of the world's population and turned many of the rest into murderous Baggers. Now they're hiding out in an abandoned house in Vancouver with a ragtag group of fellow teen survivors, trying to figure out their next move. Aries is trying to lead, but it's hard to be a leader when there are no easy answers and every move feels wrong. Clementine is desperate to find her brother Heath, but it's impossible to know where he'd be, assuming he's alive. Michael is haunted by the memories of his actions during his harrowing struggle to survive. And Mason is struggling with something far worse: the fear that he may be a danger to his friends. As the Baggers begin to create a new world order, these four teens will have to trust and rely on each other in order to survive.

From debut author London Shah, comes a thrilling futuristic Sci-Fi mystery perfect for fans of Illuminae and These Broken Stars. In the last days of the twenty-first century, sea creatures swim through the ruins of London. Trapped in the abyss, humankind wavers between hope and fear of what lurks in the depths around them, and hope that they might one day find a way back to the surface. When sixteen-year-old submersible racer Leyla McQueen is chosen to participate in the city's prestigious annual marathon, she sees an opportunity to save her father, who has been arrested on false charges. The Prime Minister promises the champion whatever their heart desires. But the race takes an unexpected turn, forcing Leyla to make an impossible choice. Now she must brave unfathomable waters and defy a corrupt government determined to keep its secrets, all the while dealing with a guarded, hotheaded companion she never asked for in the first place. If Leyla fails to discover the truths at the heart of her world, or falls prey to her own fears, she risks capture-or worse. And her father will be lost to her forever.

Most people dream about getting out of Sharon, Nebraska, but after three years away, Lauren Barrett is coming home. She has her reasons—missing her family, losing her college scholarship. But then there's the reason Lauren can't admit to anyone: Rob Conrad, her best friend's older brother. Football prowess and jaw-dropping good looks made Rob a star in high school. Out in the real world, his job and his relationships are going nowhere. He's the guy who women love and leave, not the one who makes them think of forever—until Lauren comes back to town, bringing old feelings and new dreams with her. Because the only thing more important than figuring out where you truly belong is finding the person you were meant to be with.

The Shatter Me series is perfect for fans who crave action-packed young adult novels with tantalizing romance like *Divergent* by Veronica Roth, *The Hunger Games* by Suzanne Collins, and *Legend* by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by Publishers Weekly as "a gripping read from an author who's not afraid to take risks." This collection includes the three novels and two novellas in the series. *Shatter Me: No one knows why Juliette's touch is fatal, but The Reestablishment has plans for her. Plans to use her as a weapon. But Juliette has plans of her own. After a lifetime without freedom, she's finally discovering a strength to fight back for the very first time—and to find a future with the one boy she thought she'd lost forever.* *Destroy Me: Set after Tahereh Mafi's Shatter Me and before Unravel Me, the spellbinding sequel, Destroy Me is a novella told from the perspective of Warner, the ruthless leader of Sector 45. Unravel Me: Juliette is still haunted by her deadly touch. But now that she has teamed up with other rebels with powers of their own, she'll be able to fight back against The Reestablishment to save her broken world. With the help of these new allies, she'll also finally learn the secret behind Adam's—and Warner's—immunity to her killer skin.* *Fracture Me: In this electrifying sixty-page companion novella to the New York Times bestselling Shatter Me series, discover the fate of the Omega Point rebels as they go up against The Reestablishment. Set during and soon after the final moments of Unravel Me, Fracture Me is told from Adam's perspective.* *Ignite Me: With Omega Point destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her.*

Perfect for fans of Tahereh Mafi's New York Times bestselling *Shatter Me* trilogy, this book collects the first two companion novellas, *Fracture Me* and *Destroy Me*, for a thrilling insight into the minds of Juliette's two great loves - Adam and Warner. *Destroy Me* The mind-blowing events between *Shatter Me* and *Unravel Me* are told here from Warner's point of view. Even though Juliette shot him in order to escape, Warner can't stop thinking about her - and he'll do anything to get her back. But when the Supreme Commander of The Reestablishment arrives, he has very different plans for Juliette. Plans Warner cannot allow. *Fracture Me* Watch through Adam's eyes as he bridges the gap between *Unravel Me* and *Ignite Me*. As the Omega Point rebels prepare to fight the Sector 45 soldiers, Adam is more focused on the safety of Juliette, Kenji, and his brother. The Reestablishment will do anything to crush the resistance . . . including killing everyone Adam cares about. Perfect for fans of Sarah J. Maas, Victoria Aveyard and Leigh Bardugo.
