Dindorf. With notes by W.B. Jones The Theban Plays The Oedipus Rex of Sophocles Sophocles The Oedipus Cycle The Blue Book of Grammar and Punctuation Criticism of the Oedipus Rex, with a translation into English prose

Written by Sophocles around 425 BCE, "Oedipus Rex" is a classic Greek tragedy that depicts the struggle between man and fate. Oedipus' story forms the foundation for the symbolic conflict between sons and fathers, a theme that has lost none of its dramatic punch in the ensuing centuries. The meticulous scholarship presented in this new "Bloom's Guides" title offers its readers fresh insight into this time-honored classic. Comprised of three plays in the Theban saga - Oedipus the King, Oedipus at Colonus, and Antigone - this collection tells of the tragic exploits of Oedipus the king of Thebes, and his daughter Antigone. Mueller (theater, UCLA, and translator of plays in German and Italian as well as classical languages) and Krajewska-Wieczorek (theater, UCLA, she's trained in classical philology) have created new translations of the plays in readable and compelling language, with the addition of occasional stage directions. Mueller's introduction describes Sophocles' Athens, the playwright, Greek theater and its customs, and provides a synopsis for each play, making this an ideal text for undergraduates. Annotation copyrighted by Book News Inc., Portland, OR The central thesis of this book is that Philip Roth's work is most accurately viewed as postmodernist American Historical Romance, rather than marginalized as Jewish-American. Four works are analyzed in relation to this thesis and to the specific idea that Roth's contribution is entirely within mainstream American literature and culture. Emphasizing the importance and influence of Hebrew Scripture, the author demonstrates that, paradoxically, Roth's Jewishness locates him squarely within the canon of (a Hebraic) America and its letters. "From the University of Florida College of Fine Arts, Charlie Mitchell and distinguished colleagues from across America present an introductory text for theatre and theoretical production. This book seeks to give insight into the people and processes that create theater. It does not strip away the feeling of magic but to add wonder for the artistry that make a production work well." -- Open Textbook Library. The famed Athenian tragedy in which Oedipus's own faults contribute to his tragic downfall. A great masterpiece on which Aristotle based his aesthetic theory of drama in the Poetics and from which Freud derived the Oedipus complex, King Oedipus puts out a sentence on the unknown murderer of his father Laius. By a gradual unfolding of incidents, Oedipus learns that he was the assassin and that Jocasta, his wife, is also his mother. King Oedipus/Oedipus at Colonus/Antigone Three towering works of Greek tragedy depicting the inexorable downfall of a doomed royal dynasty The legends surrounding the house of Thebes inspired Sophocles to create this powerful trilogy about humanity's struggle against fate. King Oedipus is the devastating portrayal of a ruler who brings pestilence to Thebes for crimes he does not realize he has committed and then inflicts a brutal punishment upon himself. Oedipus at Colonus provides a fitting conclusion to the life of the aged and blinded king, while Antigone depicts the fall of the next generation, through the conflict between a young woman ruled by her conscience and a king too confident of his own authority. Translated with an Introduction by E. F.

WATLINGSophocles I contains the plays "Antigone," translated by Elizabeth Wyckoff; "Oedipus the King," translated by David Grene; and "Oedipus at Colonus," translated by Robert Fitzgerald. Sixty years ago, the University of Chicago Press undertook a momentous project: a new translation of the Greek tragedies that would be the ultimate resource for teachers, students, and readers. They succeeded. Under the expert management of eminent classicists David Grene and Richmond Lattimore, those translations combined accuracy, poetic immediacy, and clarity of presentation to render the surviving masterpieces of Aeschylus, Sophocles, and Euripides in an English so lively and compelling that they remain the standard translations. Today, Chicago is taking pains to ensure that our Greek tragedies remain the leading English-language versions throughout the twenty-first century. In this highly anticipated third edition, Mark Griffith and Glenn W. Most have carefully updated the translations to bring them even closer to the ancient Greek while retaining the vibrancy for which our English versions are famous. This edition also includes brand-new translations of Euripides' Medea, The Children of Heracles, Andromache, and Iphigenia among the Taurians, fragments of lost plays by Aeschylus, and the surviving portion of Sophocles's satyr-drama The Trackers. New introductions for each play offer essential information about its first production, plot, and reception in antiquity and beyond. In addition, each volume includes an introduction to the life and work of its tragedian, as well as notes addressing textual uncertainties and a glossary of names and places mentioned in the plays. In addition to the new content, the volumes have been reorganized both within and between volumes to reflect the most up-to-date scholarship on the order in which the plays were originally written. The result is a set of handsome paperbacks destined to introduce new generations of readers to these foundational works of Western drama, art, and life. Greek text with introduction and full commentary. A landmark anthology of the masterpieces of Greek drama, featuring all-new, highly accessible translations of some of the world's most beloved plays, including Agamemnon, Prometheus Bound, Bacchae, Electra, Medea,

Antigone, and Oedipus the King Featuring translations by Emily Wilson, Frank Nisetich, Sarah Ruden, Rachel Kitzinger, Mary Lefkowitz, and James Romm The great plays of Ancient Greece are among the most enduring and important legacies of the Western world. Not only is the influence of Greek drama palpable in everything from Shakespeare to modern television, the insights contained in Greek tragedy have shaped our perceptions of the nature of human life. Poets, philosophers, and politicians have long borrowed and adapted the ideas and language of Greek drama to help them make sense of their own times. This exciting curated anthology features a cross section of the most popular--and most widely taught--plays in the Greek canon. Fresh translations into contemporary English breathe new life into the texts while capturing, as faithfully as possible, their original meaning. This outstanding collection also offers short biographies of the playwrights, enlightening and clarifying introductions to the plays, and helpful annotations at the bottom of each page. Appendices by prominent classicists on such topics as "Greek Drama and Politics," "The Theater of Dionysus," and "Plato and Aristotle on Tragedy" give the reader a rich contextual background. A detailed time line of the dramas, as well as a list of adaptations of Greek drama to literature, stage, and film from the time of Seneca to the present, helps chart the history of Greek tragedy and illustrate its influence on our culture from the Roman Empire to the present day. With a veritable who's who of today's most renowned and distinguished classical translators, The Greek Plays is certain to be the definitive text for years to come. Praise for The Greek Plays "Mary Lefkowitz and James Romm deftly have gathered strong new translations from Frank Nisetich, Sarah Ruden, Rachel Kitzinger, Emily Wilson, as well as from Mary Lefkowitz and James Romm themselves. There is a freshness and pungency in these new translations that should last a long time. I admire also the introductions to the plays and the biographies and annotations provided. Closing essays by five distinguished classicists--the brilliant Daniel Mendelsohn and the equally skilled David Rosenbloom, Joshua Billings, Mary-Kay Gamel, and Gregory Hays--all enlightened me. This seems to me a helpful light into our gathering darkness."--Harold Bloom

The formidable talents of Anthony Hecht, one of the most gifted of contemporary American poets, and Helen Bacon, a classical scholar, are here brought to bear on this vibrant translation of Aeschylus' much underrated tragedy The Seven Against Thebes. The third and only remaining play in a trilogy dealing with related events, The Seven Against Thebes tells the story of the Argive attempt to claim the Kingdom of Thebes, and of the deaths of the brothers Eteocles and Polneices, each by the others hand. Long dismissed by critics as ritualistic and lacking in dramatic tension, Seven Against Thebes is revealed by Hecht and Bacon as a work of great unity and drama, one exceptionally rich in symbolism and imagery. These essays represent the full range of Dodds' literary and philosophical interests, and his ability to combine profound scholarship with the lucid humanity of a teacher convinced of the value of Greek studies to the modern world. Detailed notes accompany modern translations of the stories of Oedipus, a king who is unable to escape his tragic fate and ends his days in exile

The Blue Book of Grammar and Punctuation is filled with easy-to-understand rules, real-world examples, dozens of reproducible exercises, and pre- and post-tests. This handy workbook is ideal for teachers, students in middle school through college, ESL students, homeschoolers, and professionals. Valuable for anyone who takes tests or writes reports, letters, Web pages, e-mails, or blogs, The Blue Book offers instant answers to everyday English usage questions. In an alternate history novel, Lincoln escapes assassination by John Wilkes Booth only to face impeachment, and Abigail Canner, a young black woman involved in his defense, helps investigate the murder of the president's counsel. Adventures, calamities, and conquests abound in stirring tales about Pandora's box, King Midas and his golden touch, the dreaded Cyclops, Narcissus and Echo, and many other familiar figures. An advanced critical introduction to Greek tragedy for those who do not read Greek. Combines the best contemporary scholarly analysis of the classics with a wide knowledge of contemporary literary studies in discussing the masterpieces of Athenian drama. Meineck and Woodruff's new translations of these plays combine accuracy with concision, clarity, and powerful speech. Each translation includes foot-of-the-page notes, stage directions, and line numbers to the Greek. The Introduction discusses the playwright, Athenian theatre and performance, plots and major characters of each play, and major critical interpretations of the plays.

Antigone: Translation By F. Storr, Ba (From The Loeb Library Edition) This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards:

1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions.
2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content.

HAPPY READING! A collection of eight critical essays on the classical tragedy, arranged in the chronological order of their original publication. This book examines the plots of Sophocles' Oedipus at Colonus, and Antigone as parts of separate and then connected stories. These stories expose hidden sides of the characters of the three main protagonists, Oedipus, Creon, and Antigone, and, in turn, cast new light upon the events we see play out on stage. Contents: Oedipus Rex: Chronology of Events;

Our goal is to have accessible editions simultaneously released with publishers new books so that all readers can have access to the books they want to read - today. To find more books in your format visit www.readhowyouwant.com A selection of essays on tragedy, this volume begins with the premise that any reading of tragedy can be stimulated and enriched by supplementary critical texts which have been selected for precisely those qualities that would enhance one's response to tragedy. The text attempts a reconstruction of the canon of the criticism of tragedy through a critical overview of traditional classical commentary, Russian Formalism, Reader Response Theory, Structuralism, Post-Structuralism, Deconstructionism, and Marxist criticism. Includes selections from the writings of Aristotle, Hegel, Nietzsche, Georg Lukacs, Arthur Miller, Karl Jaspers, Max Sheler, Laurence Michel, Henry Alonzo Myers, Northrop Frye, Albert C. Outler, and others. Oedipus, King of Thebes, sends his brother-in-law, Creon, to ask advice of the oracle at Delphi, concerning a plague ravaging Thebes. Creon returns to report that the plague is the result of religious pollution, since the murderer of their former king, Laius, has never been caught. Oedipus vows to find the murderer and curses him for causing the plague. Oedipus summons the blind prophet Tiresias for help. When Tiresias arrives he claims to know the answers to Oedipus's questions, but refuses to speak, instead telling him to abandon his search. Oedipus is enraged by Tiresias' refusal, and verbally accuses him of complicity in Laius' murder. Outraged, Tiresias tells the king that Oedipus himself is the murderer ("You yourself are the criminal you seek"). Oedipus cannot see how this could be, and concludes that the prophet must have been paid off by Creon in an attempt to undermine him. The two argue vehemently, as Oedipus mocks Tiresias' lack of sight, and Tiresias in turn tells Oedipus that he himself is blind. Eventually Tiresias leaves, muttering darkly that when the murderer is discovered he shall be a native citizen of Thebes, brother and father to his own children, and son and husband to his own mother. Love and loyalty, hatred and revenge, fear, deprivation, and political ambition: these are the motives which thrust the characters portrayed in these three Sophoclean masterpieces on to their collision course with catastrophe. Recognized in his own day as perhaps the greatest of the Greek tragedians, Sophocles' reputation has remained undimmed for two and a half thousand years. His greatest innovation in the tragic medium was his development of a central tragic figure, faced with a test of will and character, risking obloquy and death rather than compromise his or her principles: it is striking that Antigone and Electra both have a woman as their intransigent 'hero'. Antigone dies rather neglect her duty to her family, Oedipus' determination to save his city results in the horrific discovery that he has committed both incest and parricide, and Electra's unremitting anger at her mother and her lover keeps her in servitude and despair. These vivid translations combine elegance and modernity, and are remarkable for their lucidity and accuracy. Their sonorous diction, economy, and sensitivity to the varied metres and modes of the original musical delivery make them equally suitable for reading or theatrical performance. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more. Oedipus the King * Aias * Philoctetes * Oedipus at Colonus Sophocles stands as one of the greatest dramatists of all time, and one of the most influential on artists and thinkers over the centuries. In these four tragedies he portrays the extremes of human suffering and emotion, turning the heroic myths into supreme works of poetry and dramatic action. Oedipus the King follows Oedipus, the 'man of sorrow', who has unwittingly chosen to enact his prophesied course by murdering his father and marrying his mother. In Aias, the great warrior confronts the harrowing humiliation inflicted upon him, while Philoctetes sees a once-noble hero nursing his resentment after ten years of marooned isolation. In Oedipus at Colonus the blind Oedipus, who has wandered far and wide as a beggar, finally meets his mysterious death. These original and distinctive verse translations convey the vitality of Sophocles' poetry and the vigour of the plays in performance. Each play is accompanied by an introduction and substantial notes on topographical and mythical references and interpretation. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more. Examines the way in which Sophocles' play "Oedipus Tyrannus" and its hero, Oedipus, King of Thebes, were probably received in their own time and place, and relates this to twentieth-century receptions and interpretations, including those of Sigmund Freud.
