### *The Missing*

*Fierce, seductive mermaid Syrenka falls in love with Ezra, a young naturalist. When she abandons her life underwater for a chance at happiness on land, she is unaware that this decision comes with horrific and deadly consequences. Almost one hundred forty years later, seventeen-year-old Hester meets a mysterious stranger named Ezra and feels overwhelmingly, inexplicably drawn to him. For generations, love has resulted in death for the women in her family. Is it an undiagnosed genetic defect . . . or a curse? With Ezra's help, Hester investigates her family's strange, sad history. The answers she seeks are waiting in the graveyard, the crypt, and at the bottom of the ocean - but powerful forces will do anything to keep her from uncovering her connection to Syrenka and to the tragedy of so long ago.*

*most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. ## *A Taste for Victory*

*A group of kids must stop invaders before they take over Titus—and the rest of the universe—in this first book in a brand-new series from bestselling Pegasus author Kate O'Hearn, who masterfully blends mystery and mythology together. Fifteen years ago, Olympus was destroyed and the Olympians were resettled on Titus. Since then Earth has been declared a quarantined world. Neither Titans nor Olympians are allowed to visit and under no circumstances are humans allowed on Titus. The Titans and Olympians are keeping the peace. But the deep-seated mistrust still lingers, so when a human ends up on Titus, he could be the spark that reignites the war... Astraea is a Titan, granddaughter of Hyperion, and now a reluctant student at the brand-new school, Arcadia. She just knows that it's going to be awful, and that there is no way that Titans and Olympians will ever get along! At least she's got her best friend, a winged-horse named Zephyr, to keep her company. Then the night before the first day of school, Astraea hears her parents discussing something terrifying: a human has been spotted on Titus. But that's not possible. All routes to Earth via the Solar Stream have been closed—no one can travel between the two worlds...or can they? When Astraea and Zephyr get detention on their first day—for fighting with a centaur—they're sent to the orchards to harvest nectar. There they discover a human boy named Jake. How he got to Titus is a mystery even to him. But Astraea and Zephyr know they have to get Jake home before anyone else discovers him. But what the trio uncovers is something much bigger than one misplaced human boy. It's a scheme to take down the rulers of this world, conquer it, and then do the same across the galaxy. Can a group of kids stop the invaders? Or is Titus, like Olympus before it, doomed?*

## *The Frame-Up*

*Emily and her companions, including the winged horse, Pegasus, must confront a legion of Olympic enemies in this third book of an action-packed series. When Emily's father and the goddess Diana return from a visit to Earth, they bring with them disturbing news. There's a horse called Tornado Warning that's winning all the races, with times faster than anyone's ever seen. What could this mean? Emily, Joel, Paelen, Pegasus, and the sphinx Alexis return to Earth to investigate—and discover a CRU plot to clone Olympians and Nirads using DNA retrieved from their previous time in the human realm. The CRU has already created dozens of Nirad warriors, Dianas, Paelens, Cupids, and Pegasuses. Now they want to create their own Emily clone—even if the original is killed in the process. Can Emily and her friends put a stop to the CRU's plans before Jupiter finds out and carries through on his own threat to destroy the Earth?*

## *The Golden Lion (Cleopatra in Space #4)*

*From the bestselling author of the Pegasus books, Kate O'Hearn, comes an exciting new series that puts a fresh twist on Norse mythology. Valkyrie: Norse Goddess. Reaper of Souls. Defender of the Weak. Not someone you want to mess with... Freya is dreading her upcoming birthday when she'll officially have to take up her duties as a Valkyrie. She doesn't want to follow in the footsteps of the legends before her—legends including her mother and sisters. And she certainly doesn't want anything to do with humans! Freya thinks humans are cruel, hate-filled creatures, but as she observes their world, she begins to wonder what it would be like to make friends with the girls or laugh with the boys she sees. And what would it be like to live without the fear that she could cause someone's death with a single touch? Then when she's sent on her first mission, she reaps the soul of a fallen soldier with unfinished business...business that sends her on an epic quest to the mortal world. Will Freya find the true meaning of being a human, or will she finally accept her destiny?*

## *The Boxtrols: A Novel*

*Freya searches for a missing Valkyrie in this second book of an exciting series that School Library Journal described as perfect for "those looking for Rick Riordan read-alikes." Valkyrie: Norse Goddess. Reaper of Souls. Defender of the Weak. But could she also start a war? In the world of Asgard, living among Odin, Thor, and Loki are the Valkyries of legend. Norse goddesses, reapers of souls from human battlefields—they have the power to cause death with just one touch. Freya is a Valkyrie—but she has not followed in the footsteps of the legends before her. She has been to the World of Man to befriend humans—and not to reap their souls. Now she must return to the human realm on a new quest to track down the runaway Valkyrie of legend. There she will discover a dark secret that leads her to the Land of the Frost Giants where she must take on new enemies. But this time she has friends to rely on, and lots more to gain.*

*Freya and the Valkyries must stop a war before two worlds are destroyed in this third book of an exciting series that School Library Journal described as perfect for “those looking for Rick Riordan read-alikes.” In the world of Asgard, living among Odin, Thor, and Loki, are the Valkyries of legend. They are Norse goddesses who reap the fallen souls from human battlefields and have the power to cause death with just one touch. At the end of The Runaway, Freya and the Valkyries were about to leave the human world when they learned that the Frost Giants, Fire Giants, and Dark Searchers had united to declare war on the Realms. Bifrost, the legendary rainbow bridge linking the human world to Asgard, had been closed. With their only entry back to Asgard barred, how can the Valkyries get back to fight to protect their homeland? Loki claims he knows a secret route, but can they trust him? And even if they find a way—is there anything they can do to stop the war? As the War of the Realms spills over into Earth, Freya and the Valkyries must find a way to save not just the Norse world but the human world as well. With everything at stake, can Freya become the Hero she was destined to be?*

### *Ricky Ricotta 7: Ricky Ricotta's Mighty Robot vs The Uranium Unicorns from Uranus*

*An autobiographical exploration of the role and meaning of music in our world by one of India's greatest living authors, himself a vocalist and performer. Amit Chaudhuri, novelist, critic, and essayist, is also a musician, trained in the Indian classical vocal tradition but equally fluent as a guitarist and singer in the American folk music style, who has recorded his experimental compositions extensively and performed around the world. A turning point in his life took place when, as a lonely teenager living in a high-rise in Bombay, far from his family's native Calcutta, he began, contrary to all his prior inclinations, to study Indian classical music. Finding the Raga chronicles that transformation and how it has continued to affect and transform not only how Chaudhuri listens to and makes music but how he listens to and thinks about the world at large. Offering a highly personal introduction to Indian music, the book is also a meditation on the differences between Indian and Western music and art-making as well as the ways they converge in a modernism that Chaudhuri reframes not as a twentieth-century Western art movement but as a fundamental mode of aesthetic response, at once immemorial and extraterritorial. Finding the Raga combines memoir, practical and cultural criticism, and philosophical reflection with the same individuality and flair that Chaudhuri demonstrates throughout a uniquely wide-ranging, challenging, and enthralling body of work.*

### *Rise of the Titans*

*Embark on legendary adventures with a winged horse, a girl, and the gods of Olympus with the first three books of the Pegasus series, now together in a collectible boxed set. In The Flame of Olympus, when an injured Pegasus lands on the roof of Emily's Manhattan apartment building, she is drawn into a war between the gods of Olympus and the warrior Nirads. Then in Olympus at War, Emily is living on Mt. Olympus, but her father is being held by a secret government agency called the CRU—so she plans to sneak back to New York to save him. And in The New Olympians, Emily, Joel, Paelen, Pegasus, and the sphinx Alexis return to Earth to investigate strange rumors surrounding an amazing racehorse called Tornado Warning.*

## *Ricky Ricotta's Mighty Robot Vs. the Mecha-Monkeys from Mars*

*The hidden tale of the Trojan War: a novel full of passion and revenge, bravery and sacrifice, now is the time for the women of Troy to tell their story. Three thousand years ago a war took place where legends were born: Achilles, the greatest of the Greeks, and Hector, prince of Troy. Both men were made and destroyed by the war that shook the foundations of the ancient world. But what if there was more to the tale of these heroes than we know? How would the Trojan War have looked as seen through the eyes of its women? Krisayis, the ambitious, determined daughter of the High Priest of Troy, and Briseis, loyal and passionate princess of Pedasus, interweave their tales alongside Homer's classic story of the rage of Achilles and the gods of Olympus. What follows is a breathtaking tale of love and revenge, destiny and the determination, as these two brave women, the heroes of the Trojan War, and the gods themselves come face to face in an epic battle that will decide the fate of Troy. A glorious debut full of passion and revenge, loyalty and betrayal, Emily Hauser breathes exhilarating new life into one of history's greatest legends.*

*great myths and legends of world mythology. Reader's Theater is an innovative and powerful teaching tool that allows students to break away from silent reading and share in an "acting-out" experience where words and myth come to life Volume I of the Greek Myths in the "Reaching Olympus" series features nine classic myths in interactive-script form, including Perseus and the quest for Medusa's head, Atalanta the female warrior, Jason's legendary quest for the Golden Fleece, Narcissus and Echo, Oedipus Rex, Orpheus and Eurydice, the inventor Daedalus, and the flight of Icarus. Each play is prefaced by a teacher guide providing a synopsis of the myth, relevant background information and commentary on the myth, anticipatory questions for pre-play discussion, essential questions to help analyze the "big ideas" behind each myth, recall questions to check reading comprehension, and instructions for teaching commonly-tested terms and literary devices using each play. Supplemental materials include a temple-building game, a find-it puzzle with fifty different items to locate, a bonus myth (Bellerophon and Pegasus), a glossary of important characters, and a name pronunciation guide. Zachary Hamby is a professional author and illustrator and an experienced educator. He has spoken at many educational conferences (including the National Council of Teachers of English Convention) on the many benefits of using Reader's Theater in the secondary classroom. He is the author of two series that teach mythology to young people, the "Reaching Olympus" series and the "Mythology for Teens" series. He currently teaches high school in the Ozark mountains, where he lives with his wife and two children. "*

The moment they arrive, they encounter a world filled with dangers they never imagined possible—from massive, hungry dinosaurs to a blisteringly hot sun. Soon Zephyr and Astraea are seriously wounded. Without ambrosia or nectar to heal them, the group soon realize they are in serious trouble. But where can they go for help? With Zephyr's life slipping away, Jake and Tryn use their new flying skateboards to try to make it to Xanadu where they hope to find ambrosia for Zephyr and enlist help to join the fight against the Mimics. Meanwhile, Astraea and the three centaurs must use all their cunning to keep Zephyr safe and alive. But danger comes in many forms, and it seems as though no one may be left to help them—until Jake and Tryn stumble across a lone Olympian everyone believed to be dead

## Origins of Olympus

Emily and her winged horse face a war of Olympic proportions in this second book of the Pegasus series. Emily, newly recognized as the Flame, is living in Jupiter's palace on Mt. Olympus. Her friends, Joel, Paelen, and—of course—Pegasus, are there as well. The only person missing is Emily's father, who is still being held prisoner by the CRU back in the human world. Emily wants to go find him, but Jupiter won't allow her to leave. However, Emily does have access to a winged horse... Determined to rescue her father, Emily and her friends make plans to sneak away from Olympus and back to New York. Then Cupid, Emily's sort-of crush, decides to come along as well. It will be hard enough to hide a winged horse from the prying eyes of the CRU, but a winged boy as well? And when the gruesome Nirads begin a new invasion, old grudges are unearthed, new enemies are discovered, and Emily and her friends become entangled in a conflict more dangerous than they ever anticipated.

## Pegasus and the Origins of Olympus

When Sargent Singer discovers that the paintings in his father's gallery are alive, he is pulled into a captivating world behind the frame that he never knew existed. Filled with shady characters, devious plots, and a grand art heist, this inventive mystery-adventure celebrates art and artists and is perfect for fans of *Night at the Museum* and *Blue Balliett's Chasing Vermeer*. There's one important rule at the Beaverbrook Gallery—don't let anyone know the paintings are alive. Mona Dunn, forever frozen at thirteen when her portrait was painted by William Orpen, has just broken that rule. Luckily twelve-year-old Sargent Singer, an aspiring artist himself, is more interested in learning about the vast and intriguing world behind the frame than he is in sharing her secret. And when Mona and Sargent suspect shady dealings are happening behind the scenes at the gallery, they set out to find the culprit. They must find a way to save the gallery—and each other—before they are lost forever. With an imaginative setting, lots of intrigue, and a thoroughly engaging cast of characters, *The Frame-Up* will captivate readers of Jacqueline West's *The Books of Elsewhere*.
