## Religio Romana Handbook

RE-RELEASE: 2ND EDITION The Religio Romana Handbook: A Guide for the Modern Practitioner, 2nd Edition, is the first volume in the series, "The Modern Roman Living Series," by Lucius Vitellius Triarius. It is a guide for the practitioner of the cultus deorum Romanum, the ancient Roman religious system as practiced in the modern time. Not a congregational religion, the cultus deorum Romanum is a religious system based on individual practices, household and ancestor worship, and religion of the state. This work is a compilation of writings, articles, opinions and beliefs from many practitioners of the Religio Romana in Nova Roma, the global Roman Reconstruction effort in our modern age. It has been compiled to assist those interested in learning more about the cultus deorum Romanum and related Roman culture, both ancient and modern, and has been designed to be of practical use by the religio practitioner and reference guide for the non-practitioner. Unlike the ancient Greek belief system, the ancient Romans believed that achieving peace and harmony in society required maintaining a positive relationship with the gods and goddesses by all to achieve that equilibrium, as the gods and goddesses walked among us daily. Each person was responsible for doing their part, whatever that part was. If you are new to the religion or a seasoned practitioner, this handbook provides you with detailed information on most aspects of the religio on how you can begin participating the global movement to bring much needed sense and balance to our modern world. The book is comprised of updates of the original 1st Edition sections, plus NEW chapters, which include: Introduction to Roman Religion - NEW! Monotheism vs. Polytheism - NEW! Declaration of Roman Religion On Roman Reconstruction - UPDATED! Religion of the Home - UPDATED! Worshipping the Gods at Home - UPDATED! Your First Prayer to the Gods - UPDATED! Ancestral and Household Worship - UPDATED! Daily Rituals - UPDATED! Kalends Ritual - UPDATED! Nones Ritual - UPDATED! Ides Ritual - UPDATED! Other Rituals - NEW! On Domestic Roman Sacrifice -

UPDATED! Posture and Gesture in Roman Prayer - UPDATED! Foreign Cults in Ancient Rome - UPDATED! Gods and Goddesses of Rome - UPDATED! Roman Festivals and Ludi (Games) - UPDATED! Roman Beliefs about the Afterlife - UPDATED! The Roman Virtues - NEW! Glossary of Roman Religious Terms - UPDATED! This work gives you insight on repairing your household and family, which are the foundation stones of all society. It brings new insights from old perspectives, which actually worked for centuries, to the modern view of family and its relationship to the hearth. The hearth is the heart of the family life. To keep the fire alive on the hearth is the bounden duty of the family gods. We of the modern world have lost altogether those conception that made "hearth" and "altar" sacred words. Domestic religion sanctified domestic life. In these days of matches and electricity the smoldering brand of the hearth and their gods has lost its usefulness and, therefore, its sacredness. Our modern improvements have improved these lovely gods out of existence. The men and women of that world would laugh our gods to scorn and think of them with pity, gods shut up in churches, having nothing to do but to listen to the droning of prayers and the confessions of sins; gods who pass their dreary existence away from the warmth of the hearth, the smell of the cooking, the chatter of the maids and the stir of the family life!

High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . . One who's willing to sacrifice everything.

“A book or collection of writings constituting the sacred text of a religion.” The American Heritage® Dictionary of the English Language, Fourth Edition For thousands of years, we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was more to religion than ancient rituals performed for reasons unknown, this book will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. Drew makes no attempt to dictate religious dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: Maiden and Master: Creation, Wiccaning, and Self-dedication. Mother and Father: Initiation, Handfasting/Handparting, and the Wheel of the Year. Crone and Sage: Community, the world, and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science, fusing both into a creation myth which satisfies not only mind, but soul as well. A Wiccan Bible not only shows a religious path filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected, including mixtures for incense, oils, and baths.
