Employee Relations International This annotated bibliography is intended as an aid and research guide for students and teachers of industrial relations. It contains over 700 entries dealing with industrial relations teaching, theory and research culled from a large variety of journals and other sources. The materials have been arranged into broad functional areas and the detailed subject index provides for cross referencing between these areas. As a relatively new area of study in Australia, the teaching and research of industrial relations are still in their formative stages. This bibliography, which traces developments in these areas in a number of countries, will assist those active in this formative process. It will also act as a research tool for students and in the development of industrial relations theories and models.
