What does it mean to be awake? What exactly is therapeutic about retail therapy? And what are you really working on when you're at your desk, in the gym, or having dinner? From getting ready in the morning, through heading to work, going to a party, having sex and falling back to sleep, Breakfast with Socrates provides an hour-by-hour commentary on what history's greatest philosophers have said about the meaning behind everything we do. A fascinating exploration of our daily lives, Breakfast with Socrates also draws on literature, art, politics and psychology to offer an informal introduction to the history of ideas that will help anyone to think more healthily. Breakfast will never be the same again

Amy Goodman and her colleague Denis Moynihan began writing a weekly column, 'Breaking the Sound Barrier', for King Features Syndicate in 2006. Following the success of Goodman's book of the same name, The Silenced Majority gives voice to the many ordinary people standing up to corporate and government power - and refusing to be silent. This fascinating collection pulls back the veil of corporate media reporting to dig deep into political issues facing readers today.

What would you do if you found out you weren't entirely human and specially trained hunters were trying to kill you? For Tyranna, a young orphan, it means moving to Rosehaven: a hidden city filled with sword-fighting squirrels, goblin assassins, and a dangerous criminal organization run by an emotionally imbalanced fairy. It might not be the safest place in the world, but when you're Retic it's the only place left.

After receiving a magic sword from his new found love, Sir Dudley must complete a dangerous quest to kill the evil King of the Cyclops. Unfortunately for Dudley, things aren't always what they seem.

Inspirational Historical Romance's Rising Star On his way to interview for a position at a church in the Piney Woods of Texas, Crockett Archer can scarcely believe it when he's forced off the train by a retired outlaw and presented to the man's daughter as the minister she requested for her birthday. Worried this unfortunate detour will ruin his chances of finally serving a congregation of his own, Crockett is determined to escape. But when he finally gets away, he's haunted by the memory of the young woman he left behind--a woman whose dreams now hinge on him. For months, Joanna Robbins prayed for a preacher. A man to breathe life back into the abandoned church at the heart of her community. A man to assist her in fulfilling a promise to her dying mother. A man to help her discover answers to the questions that have been on her heart for so long. But just when it seems God has answered her prayers, it turns out the parson is there against his will and has dreams of his own calling him elsewhere. Is there any way she can convince Crockett to stay in her little backwoods community? And does the attraction between them have any chance of blossoming when Joanna's outlaw father is dead set against his daughter courting a preacher?

When the clocks in town stop, thirteen-year-old CJ discovers an unusual "clock world" where most of the citizens are clock parts, tasked with keeping the big clocks running. But soon the seemingly peaceful world is divided between warring factions with CJ instructed to find the only person who can help: the elusive Tick Tock Man. With the aid of Fuzee, a partly-human girl, he battles gear-headed extremists and razor-sharp pendulums in order to restore order before this world of chimes, springs, and clock people dissolves into a massive time warp, taking CJ's quiet New England town with it.

In post-WWII Russia, one boy dares to save an entire race of outlawed dogs -- the German shepherd! World War II has just ended when thirteen-year-old Mikhail finds a dying man and his German shepherd, Zasha, in the woods. It's dangerous -- some say traitorous -- to own a German dog after Germany attacked Russia, so Mikhail must keep Zasha a secret to keep her alive. But Mikhail's rival, Katia, is determined to find the dog she is sure he's hiding. At the same time, a soldier named Dimitri is breeding a new Russian dog at a nearby farm. So many dogs were lost in combat, to starvation, and in the slaughter of German dogs that the country is in dire need of every kind of dog. Dimitri, too, has suspicions of Zasha's existence, and would like nothing more than to add her to his breeding program. He'll have to compete with the armed dog thieves who are also on her trail. Mikhail's inspiring journey to save his best friend, the last German shepherd in Russia, forces him to face some of life's hardest lessons about war, hate, forgiveness, hope, love, and man's best friend.

A man's contemplation of suicide leads to a charming and surprising ending. Cast of 2 women and 3 men.

You might think that after ten seasons on the Peabody Award-winning TV series Mystery Science Theater 3000, Mike Nelson has seen enough bad movies for one lifetime. As the guys at Cahiers du Cinema say, au contraire! Hollywood's spigot of stupidity shows no sign of slowing, and cheesy films continue to flood our multiplexes and gunk up our home entertainment centers at an alarming rate. This dire situation calls for a specialist. A professional. An expert in wading through motion pictures so vile that they aren't released; they escape. We need Mike Nelson! Hey, settle down there, pal--you got him! In more than sixty laugh-out-loud reviews and essays featuring his unique combination of erudite wit and shameless clowning, this screenscarred veteran takes us deep into the recesses of cinematic cheese. He examines legendary showbiz families like Culkin, Baldwin, and Estevez; uncovers an ancient quatrain in which Nostradamus foretells the coming of David Hasselhoff; makes the case for the Food Network and the Three Stooges; and skewers all kinds of movies, including Lost in Space, Twister, Anaconda, The Postman, Spring Break, My Best Friend's Wedding, The Bridges of Madison County, The Blair Witch Project, and many, many more. Here is a film critic for the rest of us: the outrageous, hilarious Mike Nelson.

Laika, a stray dog found in Moscow, becomes the first animal to be launched into space.

Sir Dudley is a shining example of true knightliness- he is always chivalrous to the ladies (provided they are young and attractive), he keeps his boots polished at all times (his squire's job), and he never says no to a free meal (he deserves it). He has the perfect career- until one day when he steps foot in Candon, a battered village, besieged by a vicious dragon. Unable to

figure a way out of the situation, Dudley soon finds himself face to face with the most deadly creature known to man.

A story that follows the everyday life of two girls, one a professional ballerina, the other a student, both of whom love ballet.

Perceptual drawing, in which one renders the physical world as it appears to an observer, is the focus of this new text for the introductory drawing course. With an emphasis on progressive skill development, Drawing from Observation offers a balanced mix of hands-on technique and perceptual theory while making a compelling argument for the long-term value of studying perception-based drawing

The Coalition has information on the location of the legendary Holy Grail, and have sent their best knights to retrieve it. They have also sent Sir Dudley. Will Dudley surprise everyone and return a hero, or will the secrets of the Grail prove to be too dangerous for him?

Many tales are told of the Syldoon Empire and its fearsome soldiers, who are known throughout the world for their treachery and atrocities. Some say that the Syldoon eat virgins and babies—or perhaps their own mothers. Arkamondos, a bookish young scribe, suspects that the Syldoon's dire reputation may have grown in the retelling, but he's about to find out for himself. Hired to chronicle the exploits of a band of rugged Syldoon warriors, Arki finds himself both frightened and fascinated by the men's enigmatic leader, Captain Braylar Killcoin. A secretive, mercurial figure haunted by the memories of those he's killed with his deadly flail, Braylar has already disposed of at least one impertinent scribe . . . and Arki might be next. Archiving the mundane doings of millers and merchants was tedious, but at least it was safe. As Arki heads off on a mysterious mission into parts unknown, in the company of the coarse, bloody-minded Syldoon, he is promised a chance to finally record an historic adventure well worth the telling, but first he must survive the experience! A gripping military fantasy in the tradition of Glen Cook, Scourge of the Betrayer explores the brutal politics of Empire—and the searing impact of violence and dark magic on a man's soul.

Known as the voice of Tom Servo on "Mystery Science Theater 3000," Murphy hilariously chronicles his adventure of attending one movie per day for one year, which took him from the local multiplex to the Cannes film festival. Murphy watched movies in as many venues as possible, in six countries spanning four continents.

Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Newspaper reporter Catherine Linton ignored her investigative instincts when her parents died in a mysterious car crash six months ago — grief obscuring the warning signs that something was amiss. But when she discovers the beaten body of her father's nurse on Linton property, Catherine quickly realizes her parents' death was no accident. Though the sleepy Southern town that Catherine's family has called home for generations still prickles with racial tension and decades-old classism, Catherine never expected that Lowfield, Mississippi, could harbor a murderer. Now, it seems everyone has a terrible secret. But how many people in Lowfield would kill to keep them hidden? Catherine finds herself both the sheriff's lead suspect and the killer's next target. With the help of her handsome editor, Randall, and her quirky fellow reporter, Tom, Catherine must untangle the dark roots of the murders and stop the killer who wears a neighbor's face. Sweet and Deadly is the thrilling stand-alone mystery debut from Charlaine Harris, the #1 New York Times bestselling author of the Sookie Stackhouse vampire series, as well as the award-nominated Aurora Teagarden Series, Lily Bard Series, and Harper Connelly Series.

"The finest writer of paperback originals in America." - Stephen King "Readers of weak constitution should beware." - "Publishers Weekly" "McDowell has a flair for the gruesome." - "Washington Post" Welcome to Babylon, a typical sleepy Alabama small town, where years earlier the Larkin family suffered a terrible tragedy. Now they are about to endure another: fourteen-year-old Margaret Larkin will be robbed of her innocence and her life by a killer who is beyond the reach of the law. But something strange is happening in Babylon: traffic lights flash an eerie blue, a ghostly hand slithers from the drain of a kitchen sink, graves erupt from the local cemetery in an implacable march of terror . . . And beneath the murky surface of the river, a shifting, almost human shape slowly takes form. Night after night it will pursue the murderer. And when the full moon rises over Babylon, it will seek a terrible vengeance . . . "Cold Moon Over Babylon" (1980), the second novel by Michael McDowell (1950-1999), author of "Blackwater" and "The Elementals" and screenwriter of "Beetlejuice" and "The Nightmare Before Christmas," is a chilling Southern Gothic tale of revenge from beyond the grave that ranks among his most terrifying books. This first-ever reprint features deliciously creepy new cover art by Mike Mignola.

Demonstrates how to recognize subjects for extraordinary photographs in everyday places, providing discussions and exercises about light and composition, and offers coverage of DSLRs, compact digital cameras, and iPhones.

In Cruise Confidential, Brian David Bruns spills the dirt — or in this case, the dirty water — on those romantic, fun-filled vacations at sea. His hilarious chronicle of the year he spent working for Carnival Cruise Lines takes readers down into the areas where the crew works and lives, leaving readers gasping with laughter as they’re assaulted nonstop with events that range from the absurd to the utterly bizarre. Stewards fighting over food. Cutlery allowances and other nonsensical rules. What the crew calls those onboard (no, it’s not “passengers”). And of course, the sex. An abundance of ready, willing, and able bodies eager for action on a vessel replete with nooks and crannies leads to love in some mighty strange, and seemingly impossible, places. Breezy, entertaining, and informative, Cruise Confidential is essential reading for those planning a cruise or for anyone who just needs a good laugh.
