It's no ordinary day at the castle! This beautifully illustrated, picture book is a fun introduction to the medieval world and the illuminated bestiary. Young Godfrey and his family toil for the lord and lady of the castle. But when Godfrey stumbles upon an unfinished Book of Beasts, its splendid pictures of animals make him forget his chores. He invents the story of a brave knight, Sir Godfrey the Glorious, who battles a lion, tames a unicorn, defeats a griffin, conquers a bonnacon, and triumphs over a dragon. Godfrey does not realize that each time he says the name of an animal, it magically emerges from the book, causing mayhem and inadvertently accomplishing his chores. does eminem matter? On assignment for his first cover story for Rolling Stone, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. did eminem change or did america finally figure him out? Whatever You Say I Am attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In Whatever You Say I Am, original, never-before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America.
