Windows 8 rappresenta una vera rivoluzione, un totale cambiamento di paradigma: da un lato prefigura i futuri sistemi operativi touch e dall'altro mantiene un'interfaccia tradizionale. Il primo impatto è sorprendente. Tutti gli elementi del desktop sono spariti, soppiantati da una schermata Start minimale, piena di grossi pulsanti quadrati e rettangolari che ricorda il display di un cellulare o di un tablet. Questo è il punto di partenza: considerare il computer come un oggetto sempre più mobile, un tablet che ci segue ovunque andiamo e che all'occorrenza trova una sua collocazione sulla scrivania. Windows 8 Espresso è la guida ideale per capire questa rivoluzione e per sfruttare al massimo i vostri computer, laptop e tablet.

44 SCOTLAND STREET - Book 2 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. Back are all our favorite denizens of a Georgian townhouse in Edinburgh. Bertie the immensely talented six year old is now enrolled in kindergarten, and much to his dismay, has been clad in pink overalls for his first day of class. Bruce has lost his job as a surveyor, and between admiring glances in the mirror, is contemplating becoming a wine merchant. Pat is embarking on a new life at Edinburgh University and perhaps on a new relationship, courtesy of Domenica, her witty and worldly-wise neighbor. McCall Smith has much in store for them as the brief spell of glorious summer sunshine gives way to fall a season cursed with more traditionally Scottish weather. Full of McCall Smith's gentle humor and sympathy for his characters, Espresso Tales is also an affectionate portrait of a city and its people who, in the author's own words, "make it one of the most vibrant and interesting places in the world."
